RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

As set forth in the office communication dated November 2, 2004, the Examiner requires Applicant to elect a single disclosed species.

In response, Applicant provisionally elects, without traverse, to proceed with examination directed towards the third stated species, which is illustrated in at least FIGURES 5, 5a-5c, and 7, should no generic claim eventually be held allowable. Applicant respectfully submits that at least independent Claims 1, 9, 13, and 15 - 18 are generic to all of the identified species and that Claims 1-19 read on at least the elected species (i.e., Species 3).

**REMARKS**

In view of the foregoing, Applicants submit that the application is in condition for examination on the merits. If, however, the Examiner believes that any additional issue remains or requires clarification, the Examiner is respectfully requested to call the attorney of record in order to more expeditiously advance the examination of this application.
